Subject: Upper Mississippi River NWFR CCP

08/29/2005 08:06 PM

The Friends of Mid-Columbia River Wildlife Refuges have reviewed your CCP and wish to endorse Alternative D: Wildlife and Integrated Public Use Focus (Preferred Alternative). We have a strong Environmental education Program on the McNary NWR that has an average of 3000 students complete the program each year. We feel strongly that it benefits the community our volunteers and professional staff.

James W Mock, President
Friends of Mid-Columbia River Wildlife Refuges
